## Seventy Years Of Progress

Seventy years ago a small winter resort, known for its primeval forest covering one thousand acres and five miles of gently-sloping beaches, was owned by the Norfolk, Albemarle, and Atlantic Railroad Company. The Princess Anne Hotel, owned by the same railroad, provided a haven for sportsmen and those seeking a quiet rest. There were diversified amusements offered.

With time and progress the small resort gradually changed from the quiet, backwoods atmosphere of the 1890's into a small town with stores along 17th Street and Atlantic Avenue by the early 1920's. Plans for a new road running along the present 31st Street were in progress.

Now an even greater change is evident. The town has developed into a booming resort city, known for its modern accommodations and amusements. Having traveled a long road of progress and development, it has emerged as "The World's Largest Resort City," Virginia Beach.

*In Dedication . . .*

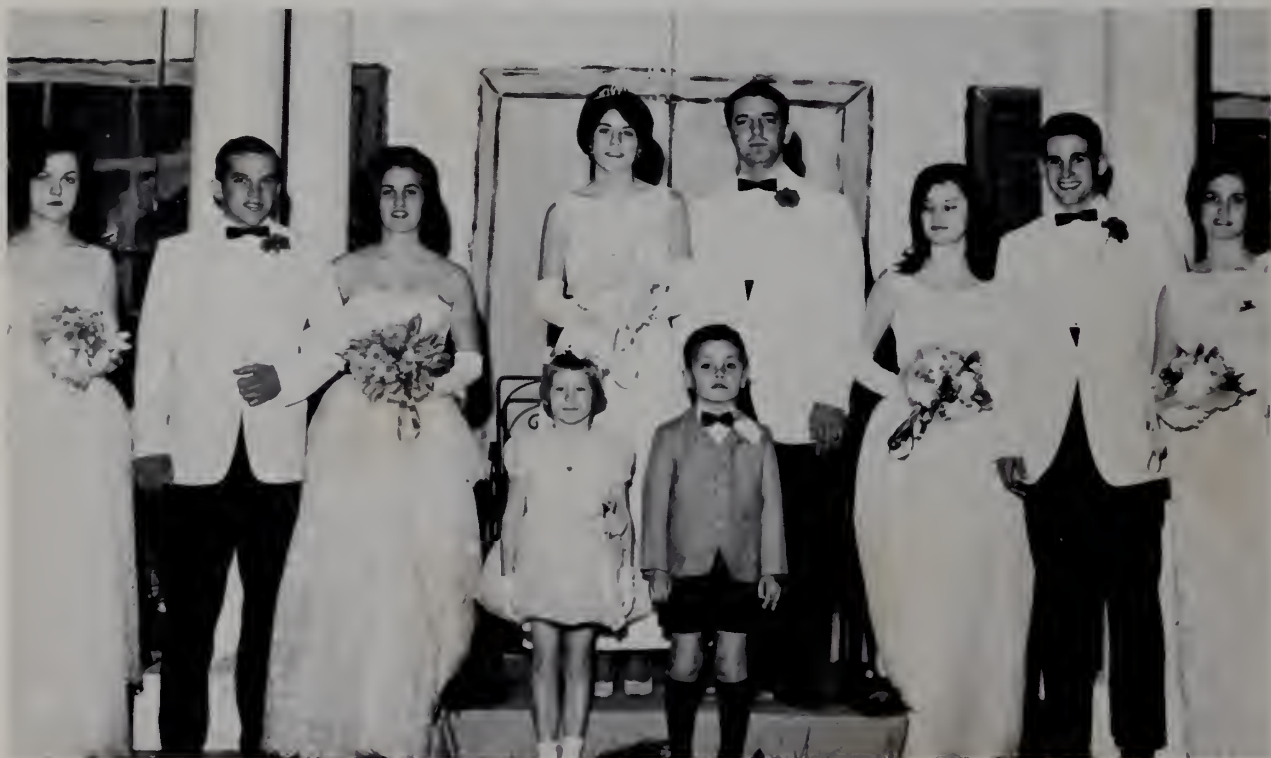

Perhaps no words could better describe Mr. Rountree than the single word, "dedication." In class he has developed an interesting procedure, one that allows the student to participate and that deviates from everyday drill. He is always ready to assist a willing student. Through his patience and understanding one can achieve the knowledge that he has set forth to impart. In appreciation of his years of service to Virginia Beach High School, the **1965 Hurricane** is dedicated with pleasure to Mr. Carlton Rountree.

Miso Conley.

My Senior year was really a year to remember. I have been at V.B. for 5 long years and I'm actually rather sad at the thought of leaving. I know that this year has also left you with many pleasant (?) memories, such as Second Bell Latin II. I know we will all be busy in trying groups, but it was still because we liked you. I know you will be a great help in my mind, but try not to forget your friends. I have enjoyed all the years at V.B. and I will always remember the class of '65.

Miss Conley,

I just wanted to say you have made a great reputation for yourself around this school, not only as giving hard tests, but also as being one of the, if not the, nicest teachers here. Sometimes I think you give me some pretty dirty looks when I act up, but overall you've been great. I really don't see why you put up with us. But now it's over and I guess you're almost glad. You're going to have to come by our house this summer and pay us a visit. Please do - or we might end up over at your house.

The 1964 football season was an unusual one for the Seahawks. In their first year in Group I-A competition they emerged with an impressive 7-3 record and the Eastern District scoring champion, Chris Hanson.

The Seahawks opened the season with an easy 32-0 victory over Cape Charles. Next, the Norfolk Academy Bulldogs and the Suffolk Raiders fell victims to the Seahawks by scores of 19-12 and 26-0.

The Seahawks rolled over the James Blair Jaybees 15-7; but, hampered by injuries, lost to York 27-0.

However the Seahawks rebounded from their

defeat with a 27-7 victory over Northampton only to lose a thriller to Cox High 13-7. The Seahawks had mounted a powerful scoring drive only to have the game called with 12 seconds showing on the scoreboard clock. A state scoring record was set by a Virginia Beach rout of 82-6 over Holland. Unfortunately, in the next to the last game the Seahawks suffered a 16-0 defeat at the hands of Southampton High School.

Finally, the '64 Seahawks rounded out the season by winning the Homecoming game by a score of 26-25 over the Kellam Knights.

The Seahawk varsity basketball team experienced one of the worst seasons it has ever had, but plenty of spirit and team hustle kept them going against the much larger Eastern District teams. They played such basketball powers as Maury, Newport News, Norview, and Wilson. The boys deserve a lot of credit for sticking in there.

Floyd pops two against Maury.

Last year's golf team's record of 23 matches won and 3 lost was merely indicative of the showing that Archie McDowell, Leslie Watson, Zack Clement, and Jack Tadd would make in the state Group I B and Group II golf championship in Stoughton, Virginia. Unable to play

in the larger state tournament because of V.B.H.S.'s Group II status, the boys won the Stoughton tournament by a whopping 14 strokes. In the individual competition, Leslie Watson and Zack Clement finished first and second respectively.

### Alma Mater

In years to come our thoughts will dwell  
 On our school by the sea.  
 Our days together, friends so true, will be  
 our memory.  
 So we will join in song today  
 to praise it to the sky.  
 From near and far our guiding star  
 will ever reign on high.

So near the sands and by the sea  
 will stand our school so proud.  
 Green and white, our colors bright  
 will wave above the crowd.  
 Oh we are ever loyal and we shall never die  
 And we'll remember always  
 Our days at V.B. High.

Miss Corley,

I really have enjoyed Latin more this year than I ever thought I could and I've enjoyed having <sup>From</sup> you for my teacher. I almost wish I was taking Latin the next year. I guess you won't ever forget this class. I hope I haven't been too bad. Hope you have a good <sup>To</sup> "America's historyland playground" summer, maybe I'll see you In a period of seventy years around the beach. Don't work too hard this summer when you find a job. Hope you do so they won't take your new car away from you. See you next year if I don't see you around this summer.

Love,  
 Maynor

### Virginia Beach Excels in Things to Do!

**The Surf is superb** with its long rollers for riding the waves. A fine sand bottom extends way out, smooth and free of shells. The water temperature in the hottest weather is always refreshing and invigorating.

**Miles of Magnificent Beaches**, gaily colored with rows of umbrellas and chairs. A lifeguard stand approximately every city block. Young and old alike spend sun-kissed days sun tanning, playing on the wide beach or relaxing under an umbrella. A cement boardwalk extends 32 blocks along the oceanfront.

**Five Fine Golf Courses** — These courses may be used by guests of hotels belonging to the clubs. These picturesque courses are open the year around but are extremely popular during the spring thru fall.

**A Fisherman's Paradise**, Virginia Beach has all types of fresh and salt water fishing — there are three fishing piers, bay and lake fishing, inshore and offshore game fishing. Back Bay, on the north-south flyway, is a fisherman's paradise with bass fishing, deer hunting, geese and duck shooting.

**There are pools galore** — many of the motels and hotels have pools while Club pool privileges are extended guests of places having memberships.

**Many Other Diversions** — A golf driving range, miniature golf course, air-conditioned new bowling lanes, bay sight-seeing cruise, jeep buggy trips down the outer banks, summer theatre and biking on the boardwalk. Gay miniature trains, popular for sight-seeing or taxi-ing run on the boardwalk during the summer.

Miss Conley,  
 You are truly one of the best  
 friends and teacher a student could have.  
 I have really appreciated all you have  
 done for me - for excusing me for being  
 late to class & for talking sometimes (this  
 6 wk. I have been better). Don't forget the  
 Latin Party at your house & the candy I  
 brought you. I hope to see you this summer!  
 I'll be back next year in Latin IV.  
 P.S. you can  
 mail me my  
 letter and you get  
 any time  
 a chance!  
 your friend,  
 Anne Jones

Margaret, Copt. Hood, Leoh, and Miss Sisk contemplate a problem concerning the annual.

One for the money, two for the show, three to get ready, and four . . .

Gone But Not Forgotten

Miss Betty,  
I've really enjoyed your Latin  
class with our usual  
activities such as hangman,  
run-around-the-room, and  
draw-on-the-board. Be good  
this summer and stay sober

It sure has been great fun this year hasn't it? The day Miss Crocker  
decided to leave, and you took her "place" was the best thing that could  
have happened to Fortin II. You'll always remain in my mind  
as one of the most "rock out" teachers I have ever had, and certainly  
my favorite. Who knows, maybe someday I'll remember a phrase  
or this from *Deanna's* *Mar-Commentaries* (huh). In the short time  
you've been at old V.B.H.S. you have made me glad to go to school & I  
liked teaching. I'll miss you, but I'll miss you very much.  
Rock at it. I'll miss you, but I'll miss you very much.  
class I'll miss you, but I'll miss you very much.  
this summer.

Miss Carley,  
 it's been fun this year,  
 especially in **THE HURRICANE**  
 paper we didn't give you  
 a too hard time. I really  
 haven't tried this year  
 and I hope I will  
 do better in 1965. I will  
 be back next year and will be here for  
 you to further teach in the  
 great educational language  
 of Latin.

## Conclusion

We, as students of Virginio Beach High School, are proud of our role in the development of our city as a community as well as a resort area. Just as we Seahawks have grown in understanding through individual participation and group organization in school and community life, the city as a whole has aggregated and prospered. After we leave Virginio Beach High School, having retained what we have learned here, tomorrow's city of Virginio Beach belongs to us as builders of the future.

The staff and advisors of the **1965 Hurricane** express special appreciation to Miss Cornelia Holland, Mrs. David Holland, Miss Patricia Noden, and Mr. Richard Dyer of Boice Studio for their assistance and pictorial contributions to the development of our theme.

I'd really like a pleasure being in your class

you gave me a C- in Latin in conduit  
I hope I meet you next year. Maybe you

that is nice. We'll really live up your class.  
Good Luck in the future. You're such a  
sweet girl I know you'll succeed.

Miss Conley:

I have had a lot of fun in  
here this year. Have a good  
summer. Will see you soon.

Miss Conley,

You are the greatest Latin teacher I ever had (the only one but still!) I really have enjoyed Latin this year and hope I can keep up with it next year! It is not often that a teacher runs up against a teacher student who can get 100+ on the tournament!!

I was advised to write in Latin, but French is easier.

Avez un bon été et bonne chance pour votre vie. Je vous verrai l'année prochaine! Merci beaucoup. (Donnez-vous un A maintenant?)

Miss B. (Cleopatra) Conley,

To the best Latin teacher ever. I have really enjoyed being in your class this year. It's been a blast! Hope to see you next year. Have a good trip to Kentucky and have a wonderful summer. Good luck always!

How much we enjoyed your class is hard to say but above all the others for sure. We had some good times toppin' out at your apartment! I want to thank you for making Latin III this year so interesting and so enjoyable - It is perhaps the only class I honestly look forward to next year - Be good, see you in the summer and have been!

Love,

John

P.S. I'm sorry we all didn't make the team concerning the Latin tournament. We really did try, if not for ourselves, for you.
